

Proven.

Unrivalled innovation, thoughtful design, lasting integrity.

A-dec 500® is based on decades of collaboration with dentists worldwide. Such co-operation has led to pressure-mapped patient comfort, enhanced integration of handpieces and technology to minimize reach, and a touchpad that provides single-point system control.

In a world that demands dependability, A-dec delivers a proven solution without a single compromise.

Call 0800 66 88 99 for more details and prices.

A-dec equipment is designed with your well-being in mind and consideration is given to everyone within your team, as well as your patients. Our aim is to develop and provide simple and elegant solutions to the dental profession that meet the needs of today with the flexibility to accommodate the technology of the future.

Get the 'Wright' Solution;

- Increased productivity with A-dec's 12 o'clock 545 and Solutions Treatment Console, which allows an efficient flow of materials and instruments into and out of the treatment room, utilising procedure tubs and instrument trays
- Extensive range of motion and unsurpassed positioning with A-dec 545 Nurse's Console, allowing full ambidextrous use
- Maximum storage for minimally spaced treatment rooms, allows for ease of dispensing materials and instruments
- Would suit wall, chair or ceiling mounted operating light
